

# ACCA Foundation in Accountancy (FIA)

KPT/JPS(R2/344/3/0183)(A9696)01/24

**METHODIST**  
COLLEGE | KUALA LUMPUR  
*Veritas Vincit Omnia*

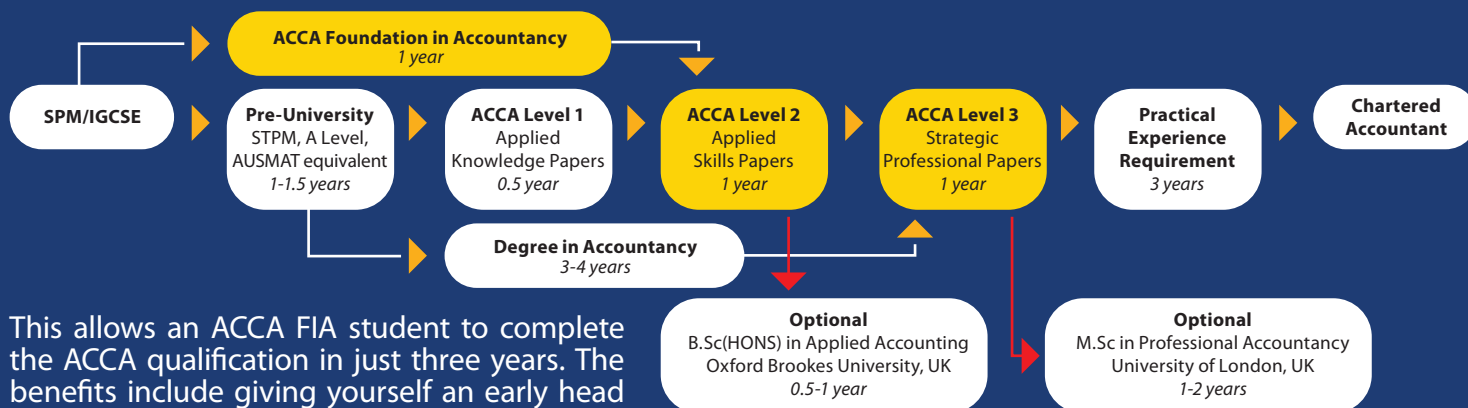

ACCA Foundation in Accountancy is the entry level qualification consisting of 7 modules. It is the fast-tracked route to the ACCA Qualification.

ACCA FIA is ideal for anyone who would like to pursue a professional accountancy qualification that is widely recognised by employers. The modules are designed for anyone who seeks to pursue accountancy regardless of their background as it prepares you with a solid head start on financial accounting, management accounting and business management.

FACE TO FACE DELIVERY - PLATINUM

## PROGRAMME PATHWAY

This allows an ACCA FIA student to complete the ACCA qualification in just three years. The benefits include giving yourself an early head start in the world of accounting by 21 years old (for a SPM graduate).

## WHY STUDY ACCA FIA

- ✓ Future-proof your career with a recognised professional qualification
- ✓ Well known and respected by employers worldwide
- ✓ Convenient and flexible

## ENTRY REQUIREMENTS

- SPM, IGCSE or equivalent with 5 credits (including credits in English and Mathematics)

## ENGLISH LANGUAGE REQUIREMENTS

- Credit in SPM English/IGCSE or equivalent

## PROGRAMME OUTLINE

### Progression

Students who successfully completed the subjects offered will be then transferred to the ACCA Qualification and directly commence their studies at the ACCA Applied Skills level. Students are exempted from the ACCA Applied Knowledge modules i.e BT, MA, & FA.

### Subjects Offered:

- FA1: Recording Financial Transactions\*
- MA1: Management Information
- FA2: Maintaining Financial Records
- MA2: Managing Costs and Finance
- FBT: Business and Technology
- FMA: Management Accounting
- FFA: Financial Accounting

\*Exempted from examination with a Distinction in SPM Principles of Accounting, the exemption is subject to approval from ACCA

**Duration:** 12 months

**Assessment:** 100% External Assessment

MCKL offers internal assessments to support candidates for the actual examinations
