Students Returning to Campus in Stages: July & August 2020

Dear MCKL Students and Academic Staff,

Following the recent announcement by the Hon. Minister of Higher Education, Malaysia on Wednesday 8 July 2020, the broader population of students in private higher education institutions are now eligible to return to the campus for teaching and learning, including all currently enrolled and new local and international students, and students who are undertaking external and professional courses.

We are aware that everyone is eager to return to the College to continue their studies under the 'new normal' conditions while adhering to standard operating procedures, physical distancing rules and taking precautionary measures in compliance with guidelines of the Ministry of Health and government authorities.

MCKL will be carrying out teaching and learning of its academic programmes in 'blended mode' - involving both face-to-face classes and online learning. Currently enrolled students shall return to campus in stages, according to their respective programmes and effective dates as follows:

- Cambridge A Level: Monday, 27 July 2020
- AUSMAT: Monday, 27 July 2020
- Certified Accounting Technician (CAT): effective from 1 July 2020
- ACCA: Monday, 3 August 2020
- American Degree Transfer Program (ADTP): Monday, 17 August 2020
- Diploma in Early Childhood Education: Monday, 17 August 2020
- Diploma in Social Work: Monday, 17 August 2020

New students joining MCKL for the August 2020 intakes will be welcomed to the College in-person on 17 August 2020 for orientation/commencement of classes.

The Academic Office shall be sending out the updated timetables for the respective academic programmes and cohorts to your O365 email accounts. **Students are only required to be in campus during the days and periods when your classes/labs are in session.** Guidelines & procedures on attending laboratory sessions have also been prepared and shall be shared with those involved via a separate email.

We look forward to welcoming you all back on campus. Thank you, and God bless.

Yours truly,

Angela Pok
